

# Get Your Own Web Page

Leesburg Art Association is on the web and now you can have your artwork there too! Benefits Include:

- Publicity of your work on the Worldwide Web
- Your own page that you can direct people to
- 2 images of your artwork and up to 250 words of text
- Monthly "Featured Artist" recognition

## Here's The Fine Print:

- Cost: is \$10.00 per year (Based on LAA fiscal year)
- Text and/or photos can be added/changed three times per year at no charge. (Initial publication counts as one time). After the third change in one year, changes can be made for an additional \$5.00 fee.
- Members will provide their own digital or print photos (up to 8"X10") and text either via e-mail or on disk (Microsoft Word format preferred)
- The "Featured Artist" page will rotate through paid members pages for one month at a time. A random drawing of names will be made from those who have not been featured previously until such time as all members have been featured. After all members have been featured, the random rotation will begin again.
- Members who already have a web site or a page on another site can have one link to it for free. Links to additional sites or pages will be allowed for a \$5.00 fee.
- **Checks should be made out to Leesburg Art Association**

To get your web page up and running, fill in the information below – provide this form along with \$10.00, your text on disk and photos, to Jim Street (contact information is in the yearbook). Photos and disks will be available for pickup at the next LAA Monthly meeting following submission.
